# Mr. Scanlon's Monthly Messages

### November, 2021

Dear Parents/Guardians,

Happy Halloween! Can you believe we have completed two months of school? October was a very productive month at St. Raymond's. We began the month with our KG to grade 8 students taking the MAP Growth assessments. We had 99% of our students take all the assessments. We then came together on Data Day to examine the results and create action plans for our students. The parent reports will go home with the first quarter report cards on November 17th. Report Card conferences will be conducted via Zoom this marking period. Dante Pictures was here to photograph our students. The students looked great and it was a picture perfect day (pun intended). Our Extended Learning Day program administered by Catapult Learning is in full swing. We currently have 101 students participating in the program. This year, the seminarian, Jozef Ukaj, spoke with all our middle school students regarding possible religious vocations. The students enjoyed the sessions. Finally, I want to thank everyone who made our first "Trunk or Treat" such a success. The students had a great time. Remember Monday, November 1st is All Saints' Day. Our KG to grade 8 students will attend mass on that day. Good luck to our eighth graders who will be taking the TACHS exam on November 5th. God Bless!

Congratulations to Students of the month for November:
