Dear Parents/Guardians:

Please read the following letter as major changes have been made to the lunch program. It is very important that you complete your child's lunch application online. **This must be done every school year.** The website is: myschoolapps.com and our school code is 11N732. You are required to complete one application per household. We encourage you to complete the application as soon as possible so that your child's lunch status can be determined. If you have any problems or do not have internet access, please call the school finance office for help.

If your household receives food stamps or aid to dependent children, please provide the school with the eligibility verification letter as soon as you receive it.

It is imperative that every family fills out an application whether or not your child participates in the lunch program. 100% compliance guarantees that the school will continue to receive the funding necessary to provide every child with a free meal.

Paper applications are available in the main office if needed.

If you have any questions, please call and speak to the finance office at the above number.
